The Coniston Hotel and Restaurant sits happily in the heart of Sittingbourne Kent.

On Friday of your stay you will have the opportunity to join us on our trip to Allington Castle, one of Kent's best kept secrets. The Castle is surrounded by beautifully restored gardens and the interior is fully furnished and in character with its Medieval origins, with Tapestries, antique furniture & Great Hall in which Henry VIII & Anne Boleyn dined . Afternoon tea will also be served.

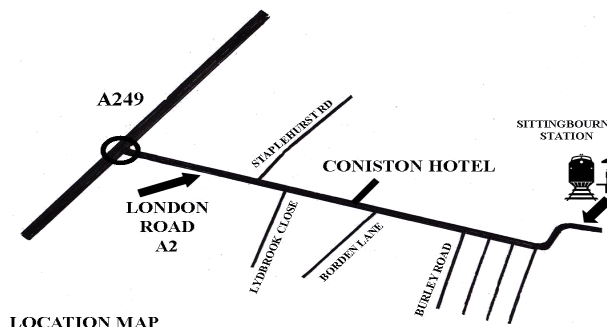

On Saturday we will enjoy a delightful trip on the river to Allington Lock followed by a visit to the Shepherd Neame Museum, Faversham.
